*Bearing the glorious light of the gospel, unto the dark land of the rising sun*

June 17, 2016

Dear Prayer Partners,

### A Wonderful Problem

God has continued to bless Agape Bible Baptist Church. We have had a number of big Sundays with over 50 attending. We are consistently running in the 40s. That is a tight squeeze for our current meeting space (900 sq. ft.). This is a wonderful problem, but it is keeping us from further growth and hampering us from expanding the ministries of the church. We need to do something about it soon. Pray that God will help us as we seek His will about a new building

### A Great Solution

We are currently considering the foreclosed property pictured here. The building is in a good location and is 8000 sq. ft. in size. The property is a little over ¼ acre in size with parking for 20 or more cars. The bidding on this property starts at US\$130,000. This is great price, but we must look into some potential problems associated with foreclosed properties. Please pray for God's leading as we look into this property and prayerfully consider bidding on it. Pray that God will make His will clear to us. Pray that God will give us the winning bid, if this is the property He has for us.

### Destiny's Brain Tumor

On June 8th, we received a call from Carl, our son, telling us that Destiny, our 19 month old granddaughter, had fallen and was vomiting blood. The doctors felt her only hope was to be life flighted from Tulsa to Oklahoma City. In OKC, the doctors determined that Destiny had an egg-sized brain tumor. They have successfully removed the tumor and Destiny is recovering well from surgery. We thank the Lord for the many who prayed for little Destiny and for the encouragement they were to our entire family. To God be the glory for His gracious healing. Please pray with us for Destiny's complete recovery.

### Thank You

Thank you for giving and praying for us. Your offerings and prayers are a great blessing to us. God bless you.
